Dental Assisting
Summer 2024

Join the Dental Profession in only 200 hours of training!
Dental Assisting certificate program features hands-on instruction and clinical observation to train participants for chairside dental assisting. Program instruction includes preparation of instruments, materials and equipment; assessment and education of clients; and preparing the client for his/her appointment. Also includes an externship arranged by the College. Tuition must be paid in full at the time of registration.
