### **Special Note about Selective Programs**

Selective Programs include the following:  
Dental Hygiene, Radiography, Nursing (RN/LPN),  
Diagnostic Medical Sonography, Funeral Services,  
Surgical Technology, Veterinary Technician,  
Medical Assistant, Sports Medicine

**These programs are selective. After completing all pre-requisite courses and complying with all other requirements (high school courses, GPA), a student may then apply to their program of choice by completing an “Admissions Office Change of Major Request” form by the designated deadline. Pre-requisites and other program courses may be completed at the Monroe Campus.**

### **General Education Core Courses for all other Majors**

**General Education Core Courses are courses that a majority of majors will require (i.e. English, Speech Communications, etc). These courses may also be completed at the Monroe Campus.**
