

NURSE AIDE Program

www.northampton.edu/HEALTHCARECERTS

The Nurse Aide Program is an intensive 128 hour course which can be taken part-time as an evening/weekend class or full-time during the day in select locations. This program prepares the participant with the entry-level skills needed to take the National Nurse Aide Assessment Program Competency Examination (NNAAP) for placement on the Pennsylvania Nurse Aide Registry and begin a successful career as a Nurse Aide in a long term care facility, hospital or other healthcare setting. This course is an excellent starting point in the healthcare field and is held in Bethlehem in the fall, spring and summer.

Course Structure

The course consists of clinical, skills lab and lecture. The clinical component will be held in community nursing facilities. **There is no absenteeism allowed for the duration of the course.**
