The screenshot shows a Microsoft Internet Explorer browser window displaying the Northampton Community College website. The address bar shows the URL: <https://carsweb.northampton.edu/cgi-bin/student/frame.cgi>. The page features a navigation menu on the left with buttons for various services, and a main content area titled 'Course Catalog' on the right. A search criteria input field is located above the course list. The course list is organized into two columns of department names, each with a blue arrow pointing to the right, indicating that clicking on a department name will display a list of courses for that department.
