Student Information

Student, Jamie

Welcome to the Student Web Information System (Spartan Net)

- Security** - Close the browser when you are finished using the site to keep your records secure from others who use this computer later.
- Registration** - You are responsible for the course you register for, meeting all prerequisites and requirements. Schedule changes processed online must be completed before the first day of the semester.
 - By registering online, you accept full academic and financial responsibility for each course, and understand all college policies and procedures.
 - Scroll down on this screen to enter the Session and Year you wish to access. If you wish to be able to recover your Spartan Net and student email passwords online you should also set a valid email address in your Options.
- Legal signature** - Use of your ID and password is the same as your legal signature. All transactions on Spartan Net are official records recognized by the college. Continuation with the registration process indicates your acceptance of the registration information above.

IMPORTANT

- Tuition Bill/Schedule** - After you register, please print out your bill to view all charges. You can also pay by credit card from this screen.

Your email address is currently set to your student email account. This is fine, but you may be unable to retrieve lost passwords if your student email account is not forwarded to a personal email account.

GPA Projection

- See what your resulting GPA would be based on grades you may receive. Just enter a grade for each course for the given session and year. (You can use this tool for current semester classes that are in progress)
- A cumulative GPA estimate will be calculated based on your current cumulative GPA and the grades you provide. Also, a session GPA for the grades you provide will be calculated. Note: repeated courses are not taken into account as repeats.

THIS DEGREE AUDIT IS FOR ADVISEMENT PURPOSES ONLY to assist you in determining your academic progress at Northampton Community College. Each audit is a listing of classes from the college catalog. While efforts have been made to ensure its accuracy, final responsibility for meeting graduation requirements rests with you. The Records Office will certify the successful completion of degree requirements for each student who applies for graduation.

Grade Point Average (GPA) is not included with this audit. All students must attain a 2.0 GPA in courses required for the program in order to graduate.

Any grade listed as N/A means the course is in progress and must be successfully completed. Courses with F or W grades do not show.

If you have questions concerning this evaluation, please check the catalog or contact your advisor or the Advising Center.
