

RN & LPN Reactivation

Fall 2024 Hybrid

Designed for nurses (RN or LPN) returning to practice, updating their skills or reactivating their Pennsylvania State license. Includes a clinical and a lecture component with an emphasis on nursing process, current nursing practices, nursing trends and ethical/legal issues and pharmacology/drug administration. This course is offered in fall and spring at the Fowler Family Southside Center.

Class Information:

Virtual Lecture: Mon., Aug. 26 - Dec. 9, 2024, 6-10pm

Skills Lab: Sat.-Sun., Oct. 5-6, 2024, 9am-5:30pm

Clinical: Sat.-Sun., TBD

Free Virtual Information Session: Tues., July 16, 2024, 6pm

Requirements for Enrollment

This program has multiple requirements that need to be completed before the first day of class. Please refer to the backside of this flyer for details.

Participants will be required to attend a requirements meeting (on-site or virtual) prior to the course start date. Meeting will be scheduled after registration.
