

NCC recently added an additional verification called Persona. Students will receive an email from Persona shortly after the completion of their application. Students are asked to upload a passport or license, OR their HS student ID using the Work Permit option.

Steps have been created to assist prospective DE students through this process.

[Admissions](#) handles the Persona Verification. If a student gets stuck during the process or if the Persona Verification expires (72 hours), please contact adminfo@northampton.edu / 610-861-5500
