Northampton Community College offers eligible students a payment plan to help make paying for college easier and more affordable. The number of available installments is determined by the date of which you enroll in the payment plan.

## What charges can be included?

- Current term tuition and fees, housing charges, and meal plans will automatically be included in the payment plan. Students cannot choose to exclude certain charges.
- Charges will be reduced by the amount of available financial aid, private scholarships, private loans, and third-party billing arrangements.

## What type of payments are accepted for the payment plan?

- Credit or Debit cards | 2.95% service fee | \$3 minimum fee per transaction
- International Cards | 4.25% service fee | \$3 minimum fee per transaction
- Bank Account (ACH) | \$0.50 per transaction | \$30 fee for returned payments

NCC will continue to accept checks at the Bursar's Office, **but checks cannot be used to enroll in the payment plan or to pay individual payment plan installments.**

## How do students enroll in the plan?

- Click on Make a Payment in the Workday Finances tab.
- Enter "payment description" and make sure there is an amount in "payment amount," click "ok," click "confirm," and click "ok" again.
- If a window pops up that says "processing" DO NOT click anything- just wait to be directed to portal.
- Click "View payment plan options."
- Review payment breakdown and due dates.
- Accept the Terms and Conditions.
- The first payment + \$35 enrollment fee is required online at the time of enrollment

## When are payments due?

- The first payment is due online at the time of enrollment.  
A one-time per semester \$35 enrollment charge will be assessed in addition to the first payment.
- Additional installment due dates will be determined by the plan enrollment date and be viewable in Workday. Payments can be made online through the Workday Finances tab.

## What if a payment is late?

- Late payments incur a \$25 fee to student accounts for each missed due date.
- Late payments will result in a registration hold until the account is brought up to date.
- **Housing students must stay current on payments to remain in housing; late payments may put housing status at risk.**

## What happens if financial aid is received after enrolling in the payment plan?

- When financial aid is applied to the balance of the student's outstanding charges, if there is a balance remaining, subsequent monthly payments will be adjusted.

## What happens if class schedule adjustments are made after enrolling in the plan?

- Subsequent payments will be adjusted to reflect the increase or decrease in the student's bill.
