Fall 2025 Online Payment Plan

To view information about the payment plan, scan the code below.

Northampton Community College offers eligible students a payment plan to help make paying for college easier and more affordable. The number of available installments is determined by the date of which you enroll in the payment plan.

What charges can be included?

- Current term tuition and fees, housing charges, and meal plans will automatically be included in the payment plan. Students cannot choose to exclude certain charges.
- Charges will be reduced by the amount of available financial aid, private scholarships, private loans, and third-party billing arrangements.

When can students enroll in the plan?

- Students can begin enrolling in the payment plan on May 30, 2025 for the Fall 2025 payment plan.
- To guarantee registration, students must enroll no later than the tuition due date.

How do students enroll in the plan?

- Click on Make a Payment in the Workday Finances tab.
- Enter “payment description” and make sure there is an amount in “payment amount,” click “ok,” click “confirm,” and click “ok” again.
- If a window pops up that says “processing” DO NOT click anything- just wait to be directed to portal.
- Click “View payment plan options.”
- Review payment breakdown and due dates.
- Accept the Terms and Conditions.
- The first payment + \$35 enrollment fee is required online at the time of enrollment.

When are payments due?

- The first payment is due online at the time of enrollment. A one-time per semester \$35 enrollment charge will be assessed in addition to the first payment.
- Additional installment due dates will be determined by the plan enrollment date and be viewable in Workday. Payments can be made online through the Workday Finances tab.

What if a payment is late?

- Late payments will result in a \$25 late fee assessed to student accounts for each month payments are not made by the due date.

What happens if financial aid is received after enrolling in the payment plan?

- When financial aid is applied to the balance of the student’s outstanding charges, if there is a balance remaining, subsequent monthly payments will be adjusted.

What happens if class schedule adjustments are made after enrolling in the plan?

- Subsequent payments will be adjusted to reflect the increase or decrease in the student’s bill.
