

Developmental Education Courses (if required)

English I eligibility is not required for the Content Creation for Social Platforms, SD, but is needed for the Media Production AAS.

Placement in English and/or Mathematics must first be determined by official transcripts and/or placement assessment. Developmental education courses are only taken if needed based on a student's placement; these courses would be in addition to the courses outlined below. Developmental education courses may extend the timeline to degree completion.

Transferring credits into NCC: Official transcripts are required; awarded credit will appear in Workday's Academic Progress.
