Program Notes:

LPN is fall-start, selective program. The application opens October 1 and must be completed by the deadline outlined online under *Admission Requirements*. As a selective program, please carefully review all provided information and requirements.

Students who wish to take general education requirements towards the LPN degree may apply to the General Education program of study.

Please note: A student is not permitted to progress to the next semester in the program without successful completion of general studies courses in that current semester.

***It is the student's responsibility to be knowledgeable of NCC admission and graduation requirements and to verify transfer requirements with the 4-year institution. Courses listed on the program map are based upon the assumption that prerequisites and courses taken in previous semesters will be successfully completed.**
