

Developmental Education Courses (if required)		
<input type="checkbox"/>	ACLS050	Introduction to Academic Literacy
<input type="checkbox"/>	ENGL027	Writing Skills Workshop
<input type="checkbox"/>	MATH020	Pre-Algebra
<input type="checkbox"/>	MATH022	Elementary Algebra
<input type="checkbox"/>	MATH026	Intermediate Algebra

Placement in English and/or Mathematics must first be determined by official transcripts and/or placement testing. Developmental education courses are only taken if needed based on a student's placement; these courses would be in addition to the courses outlined below. Developmental education courses may extend the timeline to degree completion.

Transferring credits into NCC: Official transcripts are required; awarded credit will appear in Workday's Academic Progress.

**Radiography is a fall-start, selective program. The application opens October 1 and must be completed by the deadline outlined online under Admission Requirements. As a selective program, please carefully review all provided information and requirements.**

**Students who wish to take general education requirements towards the Radiography degree may apply to the Health Sciences program of study.**

Meeting the minimum admission requirements does not guarantee admission. Primary consideration is given to those who have completed on first attempt:

- College Algebra/Introductory Statistics, Human Anatomy I & II or equivalent courses at other colleges
- Completed other college credit courses that apply to the program
