

Free Annual Training for Personal Care Home Administrators & Direct Care Staff - Fall 2025

Northampton Community College is conducting free statewide training for Personal Care Home staff and administrators and staff licensed agencies serving individuals with intellectual disabilities. The training is funded by the Department of Human Services Bureau of Human Services Licensing and each continuing education class is equal to three (3) annual training hours, unless otherwise noted. Participation is limited to staff persons working in Pennsylvania's licensed personal care homes, assisted living residences, community homes for individuals with intellectual disabilities, family living homes, adult training facilities and vocational facilities for individuals with intellectual disabilities.
