MARCH 4TH
11-1 PM
CCEI - COLLEGE CTR
RM 236**

**In honor of Women's History Month and highlighting POWERful People!
Presented by CCEI and Bethlehem Women's Club**

For more info visit: www.hbo.com/movies/the-janes

In 1972, Chicago police raided an underground network called "Jane," where seven women were arrested for providing safe, affordable, but illegal abortions. Defying restrictive laws, the Catholic Church, and the Chicago Mob, the Janes used code names and safe houses to secretly assist women in need. Before Roe v. Wade, they helped an estimated 11,000 women access abortion care despite the legal risks.
