

OUR IMPACT REPORT:

Since 1998, Community Action Development Bethlehem (CADB) has advanced a neighborhood-based vision of community and economic development that builds on the strengths and assets of our diverse community. CADB's signature program Southside Tomorrow focuses on three key priorities in the Southside Bethlehem community:

- Promoting Housing Affordability and Quality
- Improving Communication and Connectivity
- Supporting Public and Green Spaces

Housing Affordability and Quality:

Our goal: South Bethlehem will have a variety of quality, affordable renter- and owner-occupied housing options and encourage development that meets the needs and wants of current and new residents alike.

- Completed 2 residential façade improvements
- Started the Tenant Advocacy and Landlord/Tenant Mediation program

Thank you to our supporters:

Improving Communication and Connectivity

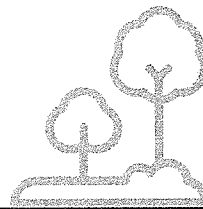

- Connected over **128** Bethlehem residents to community resources
- Engaged **111** south Bethlehem residents in neighborhood meetings
- Engaged **1,000+** residents at **8** community building events
- Served over **200** youth through activities at the Lynfield Community Center, Shooting Stars Basketball, Touchstone Summer Programming Scholarships, Hispanic Center Lehigh Valley Intergenerational programming, and Push Ahead Lehigh Valley

Supporting Public and Green Spaces:

- Supported the growth of **3** community gardens in south Bethlehem
- Engaged **98** residents through gardening and outdoor wellness activities
- Held **9** neighborhood cleanups that engaged **80** residents and business owners
- Supported the Kellyn Foundation's ongoing produce distribution on the Greenway
- Installed a mural on the South Bethlehem Greenway in partnership with two local artists and Donegan Elementary School
- Supported the ongoing work of the Southside Ambassadors in the Four Blocks International area

Beyond the Southside:

- Supported the Alley House Program's community engagement work in West Bethlehem
- Provided leadership training and community engagement support to the Pembroke Choice Community Ambassador team
- Completed three façade improvements in the Northside Alive neighborhood

COMING SOON!

- Affordable rental housing project to create five new units, in collaboration with the Cathedral Church of the Nativity, the City of Bethlehem, and New Bethany.
- Sidewalk and Tree Mini-grants continue to support local residents, businesses or nonprofits in the Indian Hill neighborhood to tackle minor sidewalk repairs, and street tree planting or removal.
