Building Evacuation Procedures - North Campus

Alumni Hall

Exit using any door. Proceed to the south parking lot.

County Hall

Exit using any door. Proceed to the parking lot.

Hartzell Technology Hall

Exit using any door. Proceed to the parking lot.

Residence Hall

Occupants will evacuate building by using the nearest fire door exit and proceed to the residence hall parking lot. The Residence Hall Director or his/her designee will enter each room to insure all occupants have exited the building. Occupants may re-enter the building only after instructed to return by a staff member.

Student Apartments

Residence Hall Director or his/her designee will enter each apartment instructing occupants to immediately evacuate the building. Occupants will exit the building area using the south walkway to the apartment parking lot. The Residence Hall Director or his/her designee will enter

and search each apartment to insure all occupants have left the building. Occupants may re-enter building only after instructed to return by a staff member.

Monroe Campus

Exit using the closest exit and proceed to a safe area in the southeast parking lot.

Other Facilities

Exit using the closest labeled "EXIT." Proceed to an area of safety away from the building.
