

# Architecture, Associate in Applied Science (2019-20 Catalog) with HONORS

<b>Developmental Education Courses (if required)</b>			<input type="checkbox"/>	MATH020	Pre-Algebra
<input type="checkbox"/>	ACLS050	Introduction to Academic Literacy	<input type="checkbox"/>	MATH022	Elementary Algebra
<input type="checkbox"/>	ENGL027	Writing Skills Workshop	<input type="checkbox"/>	MATH026	Intermediate Algebra

## SEMESTER-BY-SEMESTER PROGRAM MAP FOR FULL-TIME STUDENTS

Courses are listed in preferred order of completion

Plans can be modified to fit student needs by adding more semesters

**Choose your courses with your Advisor.**

Location: B= BETH, M= MROE, S=SBTH, E= ESTN, D= DIST \*subject to change (see separate list for honors)

THE ARCHITECTURE AT NORTHAMPTON COMMUNITY COLLEGE IS DRIVEN BY ACCREDITATION AND LICENSURE AND AS SUCH THE TWO YEAR PROGRAM CURRICULUM IS PRESCRIBED BY THE NATIONAL ARCHITECTURAL ACCREDITING BOARD (NCARB)

**Program Information:**

- Architects and architectural technicians shape the built environment, creating homes, offices, schools and much more. Do you have a passion for creating on paper and with computers? A career in architecture or architecture-related fields could be a satisfying and rewarding profession. An associate's degree in Architecture from Northampton provides an affordable foundation for a traditional five-year degree program leading to a career as a licensed architect. It can also prepare you for work in the field upon graduation.
- Northampton 's program offers a mixture of academic , design and advanced computer technology coursework. You will receive a base of knowledge to broaden your perspective of the world. Our four semester design studio sequence emphasizes skills development in architectural conceptualization as well as design vocabulary and process. Supporting coursework in history, graphics and building technology mesh with your studio work to enhance your critical thinking, problem solving and communication skills. With computer technology dramatically changing the practice of architecture, Northampton's curriculum strives to stay on the leading edge of 2D and 3D technology across the curriculum. We also balance those technologies with traditional graphic and model making skills development.
- Please note that senior architecture schools consider applicants from Northampton on an individual basis and have traditionally granted both full and partial credit depending on the abilities of the student and the requirements of the transfer school.

**Program Outcomes:** Students who complete this program will be able to:

- Use abstract design ideas to interpret design information while investigating alternative outcomes based on research and analysis.
- Use a diverse range of media to think about and convey architectural ideas including writing, speaking, drawing and model making (both hand and digital media).
- Gather, access, record and comparatively evaluate relevant design information as part of the process of investigation.
- Examine and comprehend history and precedent and make informed choices regarding the incorporation of same into architecture and urban design projects.
- Identify parallel and divergent ideas and traditions of architecture and urban design influenced by the social, cultural, historical and philosophical determinants of a global society.
- Comprehend the technical aspects of design, systems, materials and principles of building structure and be able to apply that comprehension to architectural solutions.
- Respond to site characteristics including zoning, topography, vegetation and watershed in architecture and urban design projects.
- Prepare drawings and models illustrating and identifying the assembly of materials, systems and components for building design and structure.

**Transfer Information:**

- NCC's architecture program has a successful track record. To date, students have transferred to 29 universities.

**Career Information:**

ARCHITECTURE CAREER PATHS, ARCHITECT, ARCHITECTURAL TECHNICIAN, BUILDING INSPECTOR, ARCHITECTURAL/ BUILDING SALES
