**Notes:**

+ HOSP221G is the Writing Intensive course for the program graduation requirement. HOSP221G is considered the Capstone Course for the Hospitality Management program. HOSP221G has a prerequisite of HOSP101, HOSP105, HOSP111, HOSP210, HOSP215 and ENGL101, all with a grade of C or better. HOSP221G can be taken four times for credit.

HOSP101 and HOSP105 are identified as Milestone courses that must be completed in a student's first year of study, in order to meet prerequisites for additional core Hospitality Management classes.

Elective: All courses except: OXX-level courses; EARL 221, EARL 222.

Courses with \*: These courses apply toward the Specialized Diploma in Resort Management. Completion of the Specialized Diploma requires successful completion of: HOSP101, HOSP 105, HOSP111, HOTL150, HOSP210, HOSP215, HOTL110, HOSP201, HOSP212, and HOTL207.

**Program Narrative:**

For students interested in a career in hotel management, Northampton offers students the opportunity to earn an associate degree in applied science in Hospitality Management. Some of the core classes in this program include rooms division management, enhancing guest services, hospitality law, financial reporting, sales and marketing, human resources management, and strategic leadership. Students can supplement their core courses with classes focused on meeting and event planning, casino operations, club management, spa management and resort management. The Hospitality Management program fosters teamwork, professionalism, and learning through experience. Students will be prepared for a career in the hospitality industry by classroom learning supplemented with field trips, guest speakers and industry certifications. All A.A.S. students will complete a 225 hour management practicum, where they will complete an internship in their area of interest.

**Program Learning Outcomes:** Graduates of the program will be able to:

- Acquire and correctly use general industry information, technical skills, and certifications for employment in the hospitality industry.
- Listen and effectively communicate in a positive, professional, and ethical manner with customers and colleagues of diverse backgrounds.
- Display a professional image, positive attitude, strong work ethic, and recognize your role in the success of the organization where you are employed.
- Read and accurately interpret standard indicators of the organization's financial health.
- Use appropriate technology for written communication, information gathering, and data analysis to facilitate smooth operation of a hospitality organization.
- Demonstrate leadership and supervisory skills, and an appreciation of diversity to support the organization and its goals.
- Use organization and flexibility, as a team, to complete tasks, make decisions, and problem solve in a timely manner.
- Utilize research and problem-solving techniques to employ "out of the box" critical thinking skills in a variety of hospitality situations.
