<input type="checkbox"/>	ENGL2__G	Writing Intensive	
<input type="checkbox"/>	SOCA125 or PHIL202	Writing Intensive	

**Notes:**

- Students should **only take the courses listed above.**
- Students should make sure they are eligible to take MATH 150 when they begin courses at NCC. If necessary, students should take the MATH placement test during the **first semester** at NCC.
- SCWK 280** should be taken **after** the student has taken Principles of Sociology, Introduction to Psychology, Contemporary Biology and has earned 30 or more credits.
- **200 Level Honors English options: ENGL 203G, ENGL 264G, ENGL 265G**

\*It is the student's responsibility to be knowledgeable of NCC graduation requirements and to verify transfer requirements with the 4-year institution. Courses listed on the program map are based upon the assumption that prerequisites and courses taken in previous semesters will be successfully completed

**Transfer Information:**

Students who want to become social workers may transfer to any Bachelor of Social Work (BSW) program accredited by the Council on Social Work Education. The completed NCC degree generally provides the first 2 years toward the BSW program. Articulation agreements are in place for students to seamlessly transfer with the AA in Social Work to Cedar Crest College, East Stroudsburg University, Kutztown University, and Marywood University, all accredited by the Council on Social Work Education. Please contact Hope Horowitz, LSW for specific information about transferring to social work programs or the NCC transfer advisor. **Students should explore desired transfer institutions after they have earned 30 credits.**

**Career Information:**

Upon completion of a BSW from an *accredited* school of social work, students are trained to be professional generalist social workers and may work with individuals, families, groups, organizations and communities. Social work offers many opportunities in a variety of settings. You may find yourself working in a hospital, mental health setting, hospice, child welfare, aging services, domestic violence, nursing homes, adoption, advocacy, family services, adoption, military, veteran services and more. Most students will obtain a Master Degree in Social Work as well.
