	<input type="checkbox"/>	ACCT255	Principles of Auditing	3		PRE: ACCT201
			Total Semester Credits:	9		
Total Degree Credits				31		

Notes:

Students will be required to use spreadsheets in their upper level accounting courses. Thus, it is highly recommended that students complete CISC101 before enrolling in any sophomore accounting courses.

***It is the student's responsibility to be knowledgeable of NCC graduation requirements and to verify transfer requirements with the 4-year institution. Courses listed on the program map are based upon the assumption that prerequisites and courses taken in previous semesters will be successfully completed**
