			Total Semester Credits:	16		
			Total Degree Credits	94		

Notes:

*Students must earn a grade of "C" or better in these courses to begin FUNS courses. All FUNS courses are restricted to Funeral Service Education students.

- For their Social Science: Societies and Institutions over Time (SIT) Elective, students must select a course from the list of approved courses in that category.
- Writing intensive work is included in various courses in this program; thus completing the program automatically satisfies the program-related Writing Intensive (WI) requirement.
- Computer competencies are included in various courses in this program as well as in CISC101. Thus, completing the program automatically satisfies the computing requirement.
- For their Mathematics (QL) Elective, students must select a course from the list of approved courses in that category.
- Students must earn a grade of "C" or better in all FUNS courses to progress in the program.
- Elective: All courses except: OXX-level courses; EARL 221, EARL 222.

Funeral Service Education is a fall-start program. Students may apply to the clinical program starting October 1. Applications must be completed by February 1st.

Students will not be able to apply to the clinical program after February 1st.

After February 1st, students who wish to take general education courses toward the Funeral Service Education degree may apply to the General Studies program of study.

***It is the student's responsibility to be knowledgeable of NCC graduation requirements and to verify transfer requirements with the 4-year institution. Courses listed on the program map are based upon the assumption that prerequisites and courses taken in previous semesters will be successfully completed**

MATH 210 Calculus III
MATH 211 Differential Equations

Program Narrative:

Are you interested in:

- Helping Others?
- The Human Biological Sciences?
- Community Involvement?
- A business environment?

Have you considered a career in Funeral Service? The funeral service professional:

- Provides support to the bereaved during initial stages of grief.
- Arranges and directs funeral ceremonies.
- Performs the transfer of the deceased from the place of death.
- Prepares the body according to the wishes of the survivors and requirements of the law.
- Sells funeral related services and merchandise.
- Establishes pre-arranged/pre-financed funeral accounts.
- Secures information for legal documents.
- Files death certificates and other legal papers.
- Assists survivors with details for filing claims for death benefits.
- Helps individuals adapt to changes in their lives following a death through post-death counseling and support group activities.

Why should you enter funeral service?

- You are a caregiver who desires to serve others.
- You believe ceremony is an effective way of expressing feelings.
- You are open-minded about ways in which people of different faiths and cultures express their feelings and practice their beliefs.
- You are interested in the technical sciences.
- You exhibit sensitivity and compassion for those with whom you are in contact.
- You are interested in learning all aspects of a business.

Funeral Service Education provides you with a comprehensive understanding of all phases of funeral service necessary to serve the bereaved in a professional and ethical manner. The need for funeral directors and embalmers will escalate over the next twenty years and the earning potential has never been better.

Program Learning Outcomes: Graduates of the program will:

- Discuss the history and development of the funeral service profession and practices.
- Demonstrate competence in the knowledge and skills necessary to perform in the role of a funeral service professional.
- Recognize the responsibilities of the funeral service profession to the community at large.
- Demonstrate professionalism and accountability related to the legal, regulatory and ethical issues facing funeral service.
- Communicate effectively in oral and written forms with client families, peers, members of the funeral service community and those in allied professions.
- Assess and attend to the pre-need, at-need, and aftercare needs of client families.
- Employ safe practices, competence and compassion when caring for the deceased.
- Identify application of scholarly research in the field of funeral service.
- Complete satisfactorily a curriculum at the post- secondary level of instruction

Career Potential:

• The Associate of Applied Science degree will allow an individual to pursue a career as a Funeral Director, Embalmer, and Pre-Need Funeral Counselor. Pursuing a Bachelor and Master degree will allow an individual to pursue a career in Funeral Service Education. A typical Funeral Director and embalmer average salary is based on the geographical location of employment. The beginning salaries begin between \$37,000 - \$41,000.

Transfer Potential:

• Courses with the FUNS prefix will not transfer to other institutions. General education courses would transfer as the case with other degrees. There are three colleges that offer a Bachelor of Science in Funeral Service. The schools are accredited by the American Board of Funeral Service Education (ABFSE). The courses are offered in an online format.
