511 East Third Street
Bethlehem, PA. 18015

"Mobile Food Truck course is taught by the owners of The Taza Truck, which won Best Food Truck by Lehigh Valley Style readers three years running (2015, 2016, 2017) and was one of the first food trucks in the Lehigh Valley. The Taza Truck paved the way for other food trucks to open in the valley, so don't miss this opportunity to learn food trucking from one of the best!"
