

EXPLORE CAREERS & MAJORS WITH

Create an account in **FOCUS 2** to begin uncovering and investigating career and major options today. You will be asked questions related to things already familiar to you such as your personality, life preferences, and more. Upon completing the assessment, you will be provided a customized list of possible career aspirations. A deeper understanding of yourself will give you the confidence you need to make more informed decisions about your education at Northampton Community College.

FOR FREE ACCESS TO FOCUS 2, FOLLOW THE DIRECTIONS BELOW:

REGISTRATION

- For first time users, on the [FOCUS 2 website](#), click on “Register”
- Your **ACCESS CODE** is **spartan** and it is the same for all users
- New users fill out the requested information on the form and click CONTINUE
- Returning users, log in with your username and password and then click CONTINUE

SUGGESTED ASSESSMENTS

- Once you are logged in, begin by taking the **Career Planning Readiness** and **Academic Strengths** assessments.
- Then take the **Personality, Work Interests, Skills** and **Values** assessments
- Be sure to read the results of your **Combined Assessments**
- Click on the list of matched careers and begin researching the most current information on industries

GET FEEDBACK ON YOUR RESULTS

- Process the results with a **Career Coach** by scheduling an appointment in person in the College Center Suite 250, online at [Make an Appointment](#), or by calling 610-861-5344
